Pro:Centric[®] Enhanced Hospitality UHD TV with Pro:Idiom[®] and Embedded *b*-LAN[™]

UT570H Series

Commercial Lite	Pro:Centric	Pro:Centric Enhanced	Pro:Centric Smart
-----------------	-------------	-----------------------------	-------------------

The UT570H Series features UHD resolution that creates vivid details and a flawless picture. It has LG Pro:Centric technology, which offers extended customizable tools (HTML5 and Java) for partners to create interactive applications with increased visual appeal. These enhanced features enable delivery of a wide range of unique applications tailored to both hotel management and guests' needs.

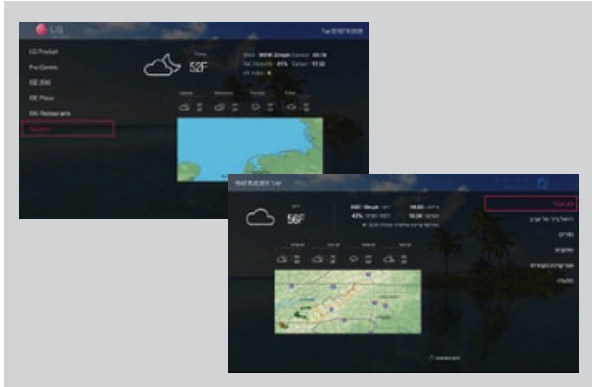

Pro:Centric Enhanced Hospitality UHD TV with Pro:Idiom and Embedded b-LAN

UT570H SERIES

KEY FEATURES

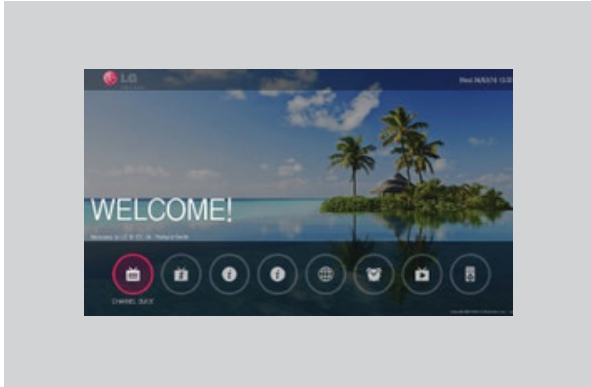

Dozens of Languages

This series supports 39 languages (including Hebrew, Arabic and Farsi) and language alignment, making guests from around the world feel more at home and comfortable.

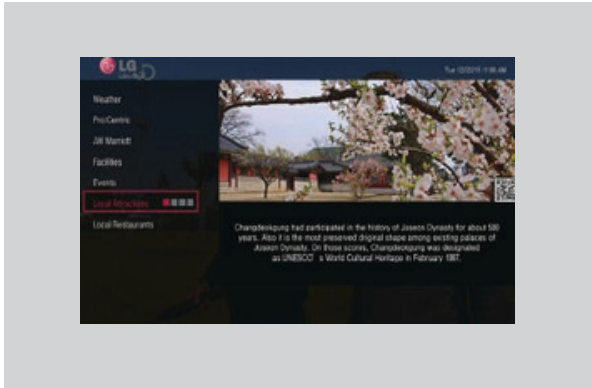

Basic & Easy-to-Use Templates

Pro:Centric Application (PCA) provides basic, easy-to-use templates that can be selected based on customer preference.

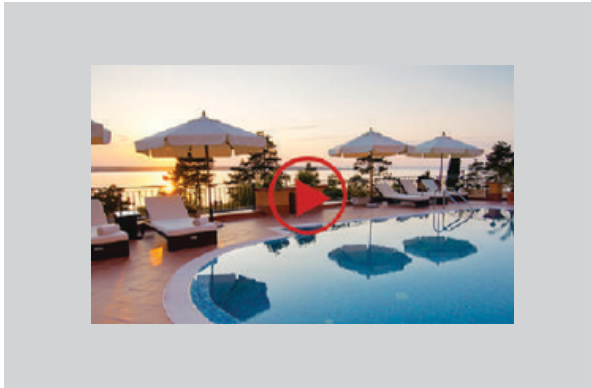

Customizable Template & Page

Choose alternative looks for billboards based on your preferences, and edit multiple sections with up to 40 pages of billboards by yourself with this web-based tool.

Multi-Channel Pooling

Operation of up to eight hotel channels (22 sub-channels) offers programming flexibility, customized content and additional services.

Pro:Centric Enhanced Hospitality UHD TV with Pro:Idiom and Embedded *b*-LAN

UT570H SERIES

KEY FEATURES

Pro:Idiom

DRM (digital rights management) technology unlocks access to premium content to help assure rapid and broad deployment of HDTV and other high-value digital content.

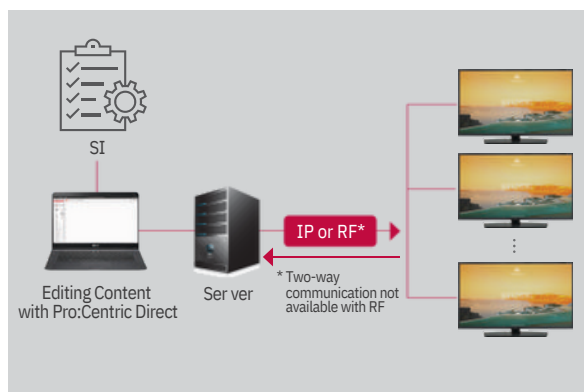

4K Upscaler

Enjoy Full HD content with 4K UHD quality. The 4K upscaler automatically upgrades Full HD content to UHD through a simple six-step process.

ProCentric Direct

Pro:Centric Direct is a hotel content management system that provides simple editing tools and various solutions such as one-click service and IP network-based remote management. Hoteliers can easily edit the user interface, provide customized service and manage all the property's TVs efficiently.

* Actual UI may differ from what is shown here
When PCS400R and PCD 2.0 are in use, the PCD feature works even in RF infrastructure.

4K Resolution

UHD delivers a resolution four times higher than that of Full HD, which creates a more realistic and immersive television viewing experience. The stunning 8.3 million pixels create flawless images with incredibly vivid detail.

Pro:Centric Enhanced Hospitality UHD TV with Pro:Idiom and Embedded b-LAN

UT570H SERIES

KEY FEATURES

EZ-Manager

EZ-Manager provides a convenient installation function to automatically choose settings for the Pro:Centric TV without any extra configuration.

Instant On

The Instant On feature allows the Pro:Centric app to remain loaded giving guests quick access to content when they turn on the TV.

Commercial Swivel Stand

The UT570H Series* commercial grade stand swivels to allow guests to view the TV from virtually any angle and can easily be fastened to a tabletop for security purposes.

USB Data Cloning

Create a media playlist of your choosing (video, music, and/or images), save it to a USB memory device, and then simply connect the USB memory device to the TV to stream your playlist sequentially.

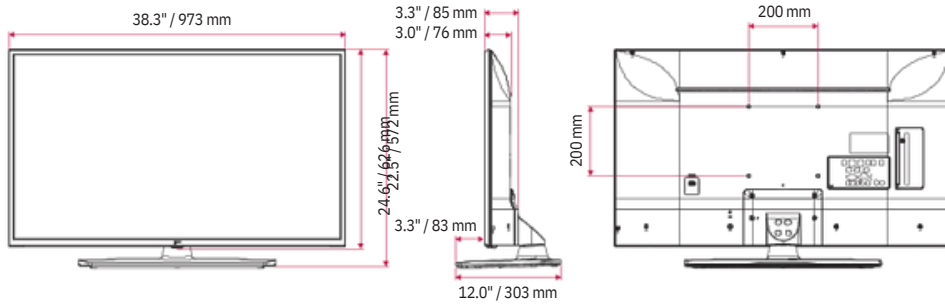

*Includes 43", 49" and 55" only.
