# 4K UHD OLED Hotel Smart TV with Pro:CentricHotel Management Solutions

OLED

Pro:Centric Solutions

Voice Recognition

webOS22

### AN960H Series

Design	StandType	2pole
	Inch	77" / 65" / 55"
Display	Resolution	3,840 x 2,160 (UHD)
	Type	OLED
Broadcasting System	Digital	ATSC / Clear QAM
	Analog	NTSC
Solution	Pro:Centric (Smart, Cloud, Direct, V), Quick Menu	

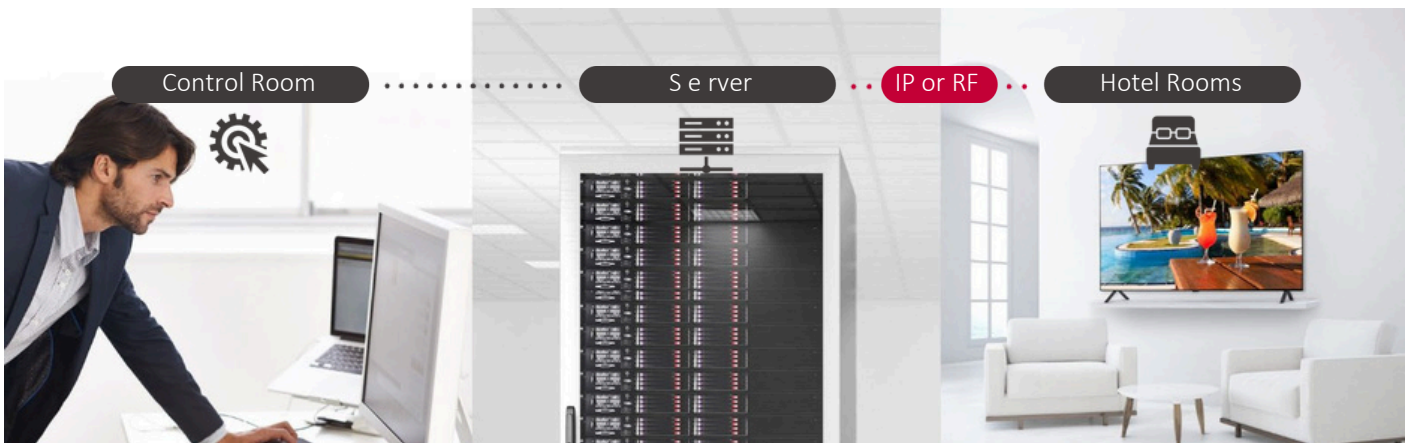

## LG OLED Self-emissive

LG Hospitality TV is unique thanks to its self-lit technology. Millions of OLED pixels come together to deliver the next level of TV. Enjoy the deep black, the rich colors and the vivid picture quality.

## Pro:Centric Cloud

Pro:CentricCloud improves the usability of enterprise's CMS solution and cloudification of system, reinforcing the service of 3<sup>rd</sup> party solution. It also offers various design templates, improving data collection and analytics platform with an eye-catching dashboard.

## Pro:Centric Direct\*

The hotel content management solution Pro:CentricDirect offers easy and simple editing tools, making it easy to perform service and IP network-based remote management with a single click. The Pro:CentricDirect solution enables users to edit their interface easily by providing customized interface and efficiently manages all TVs in the room. The latest PCD version provides IoT-based in-room control as well as voice control function through LG Natural Language Processing (NLP). These IoT and voice-related functions will be your starting point to prepare for the hotel rooms of next generation through artificial intelligence. Note that some features may not be supporting depending on the version of Pro:CentricDirect.

## More Innovative LG webOS22

Explore the latest webOS22 of LG Smart TV features, and discover TVs that deliver innovative technology and remarkable clarity with vivid colors. Newly added Always on Display and Game Optimizer functions allow you to enter the new visual excitement.

### Always On Display

Black monster TV turns into live screens with clock, art pieces or even display your own images.

### Game Optimizer

LG Game Optimizer will get you and keep you in the action through selection of game mode, picture adjustment, etc.

### SoftAP

Software-enabled Access Point\* (SoftAP) is a "virtual" Wi-Fi feature that uses TV as a wireless hotspot, enabling guests to connect their own devices to the SoftAP.

\* SoftAP should be set in the installation menu after the TV is turned on, and Screen Share may not be operated at the same time.

## Pro:Idiom

Digital Rights Management (DRM) technology provides access to premium content to help assure rapid and broad deployment of HDTV and other high-value digital content.

## CONNECTIVITY

77" / 65" / 55"

Rear

Side

\* Jack Panels may differ from the above image, so please contact LG sales team to verify before ordering.
