

**BUILT TO PERFORM**      **PRICED TO WIN**

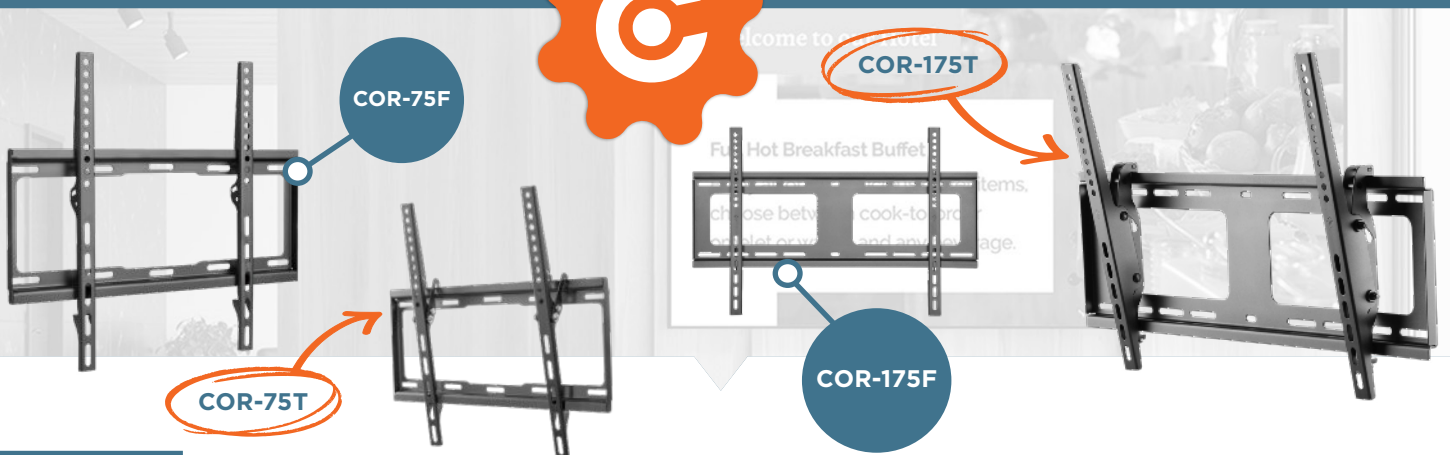

The **COR Series** delivers the essential strength, reliability, & installer-friendly design you expect — in a streamlined, budget-smart mount built to compete. Featuring slim, low-profile designs with solutions that support displays up to 175 lbs, with flat & tilt options to fit a wide range of installs. Open architecture allows for increased ventilation & easy cable access, while simple construction ensures fast, hassle-free installs.

With the durability we're known for — and an included anti-theft screw for added security — the COR Series proves **you don't have to compromise quality to stay on budget!**

**FEATURES + BENEFITS**

- Slim design for low-profile finish.
- Solutions that support displays up to 175 lbs.
- Anti-theft security screw included.
- Open architecture for increased ventilation & easy access to cables & wires.
- Simple construction for easy & efficient installs.
- Engineered & verified to support 4x its rated weight.
